ICE FLAKE MACHINE

Description :

A flake ice machine works by freezing water inside a metal cylinder and allowing the frozen liquid to flow through the coils. The refrigerant freezes and the water then flows through the cylinder, where it builds up a column of ice.

This is then expelled from the evaporator and into a reservoir.

Capacity : 200kg/day - Ice Flakes

Material : SS Stainless Steel

Model Name/Number : FLK 200

Ice Form : Flakes

Used Gas : R404a

Brand : FWT

Features : Fully Automatic

FISH CUTTING MACHINE

Description :

The fish cutting machine is designed to cut fishes into fish segments, fish blocks, fish fillets or fish strips by exchanging the cutter. It is suitable for various fish, such as carps, codes, catfishes and chubs etc.

Blade Thickness : 0.56 mm

Type of Meat : Fish

Automation Grade :

Semi Automatic

Cutting Capacity : 200 Kg

Motor Power : 2 HP

OXYGEN GENERATOR

Description :

An oxygen generator is an application that uses a unique selective adsorption the nitrogen and other components in compressed air.

After-sales Service: On Line Support

Free Spare Parts

FISH CUTTING TABLE

Description :

Table designed to make the process of filleting and trimming fish more efficient with a central dispenser trough for waste disposal or alternatively graded goods ready for packaging.

Capacity : 200 Kg

Color : Silver

Material : SS

Usage/Application : Kitchen

Size : 3.5 x 2 x 2.5

(L x W x H) Feet

FISH CHOPPING BOARD

Description :

Hardwoods with tightly grained wood and small pores are best for wooden cutting boards. Good hardness and tight grain help reduce scoring of the cutting surface and absorption of liquid and dirt into the surface. Red oak, even though a hardwood, has large pores which retain dirt even after washing.

Brand : KitchenFest

Colour : Beige

Product Dimensions :

34L x 34W x 0.2Th Centimeters

Material : Bamboo

Recommended Uses

For Product : Fish

LIVE FISH TANK

Description :

An aquarium is a glass container which displays the aquatic organisms in a simulated natural environment by introducing aquatic plants, rocks, gravels, artificial decorative etc.

Brand : Lucky

Material : Glass

Size : 4ft by 18 inches

LED TV

Description :

Loud noise can cause fish to panic, knocking into glass and decor leading to stress, which can leave them prone to disease. For this reason, if you want to install a fish tank in your front room it is recommended to place it a good few feet away from any televisions or stereos.

Screen Size : 43inch

Resolution : FULL HD

Mounting Type : Wall Mount

Warranty : 2 year

Connectivity : USB,HDMI

AC

Description :

An air conditioner cools your home with a cold indoor coil called the evaporator. The condenser, a hot outdoor coil, releases the collected heat outside. The evaporator and condenser coils are serpentine tubing surrounded by aluminum fins. This tubing is usually made of copper.

Brand : LG

Cooling Capacity : 1 Ton

Power Consumption : 998 Watts

Compressor Type : Rotary

Ac Power Input : 998 W

Auto Clean : Yes

Timer On And Off : Yes

FISH WEIGHT MACHINE

Description :

When a load is applied, the springs are stretched, and movement of the crossbar with the rack attached rotates the pinion and the load-indicating pointer. The dial is graduated in scale units that depend on the stiffness of the springs.

Brand : Accurate

Model Name/Number : AFC 100Kg CB

Usage/Application : Retails Shop

Material :Steel
